## Tutorial

- Take PP Mistable Paper and spray with Riptide and Cranberry Zing GM
- let sit shortly - then pull it together and blend with papertowel
- dry a bit with heating gun or set aside
- lay down paper towel
- cut Ranger Cutn' Dry Foam and spray Charcoal Chalkboard
- stamp Mistables with it using the Stampendous stamp
- set aside to dry
- take the scalloped ribbon and stamp with archival ink and the swirl from the Stampendous Peony stamp
- spray the scalloped ribbon with Cranberry Zing GM and set aside to dry
- take another Mistable Paper
- pour some Organic Garden Glam and some Sea Kelp Glaze
- spray some Cranberry Zing GM
- let it sit a bit and let dry
- stamp an edge of the paper with the Peony stamp and cut it out- set aside
- Take the packaging of the mistables and place with non permanent adhesive the flap on paper from the back
- trace with a pencil
- take off and cut out the nice border
- add some more sprays to the flower and the border paint with the glaze
- Apply Organic Garden Glam with fan brush on border and sprinkle with Stampendous Vintage Glitter Halo Silver Mix
- let dry
- Take crafty power tape and apply ribbon on the border piece
- put aside
- Take Letters/Numbers for the Title and the tag
- put a bit of Sea Kelp and bit of Organic Garden on both and blend here and there - not too much
- let dry
- spray with Charcoal Chalkboard over again - let dry
- Cut the tag in 2/3
- stack part of the title to the flower using foam squares
- attach flower with 3D foam squares to the border in the middle/center of it
- attach photo and tag
- attach the border
- attach the other letters
- journaling with white signo pen
