Tina Walker's Strawberry Cake Recipe

"I don't really have a recipe, per se, but more like a favorite 'box' cake with my own personal touch. (I'm all about the fast and easy)"

Strawberry Cake

Boxed Strawberry Cake Mix
Cream Cheese Frosting
Fresh Strawberries

Mix cake mix per instructions for a double layer cake.
Bake.
Frost when cool.
Garnish with fresh strawberries.
Enjoy!

My art journal page was inspired by the strawberries, layers of cake and 'frosting' look. :)
